# Smart solutions for a safer workplace

Visitor management solutions that reduce risk and enhance safety
Flexible tools, built for the modern workplace

- Visitor management
- Employee and contractor sign in
- Appointment scheduling
- Desk and meeting room booking

Sign In App®

Hello,
Please sign in here.

Safety✚ included as standard

Safety always comes first. We provide tools to help our community maintain safety for guests and employees in the ever-changing workspace.

Safe and secure visitor management

Replace outdated paper processes and keep your guests safe with a seamless sign in process that can be customised to your needs.
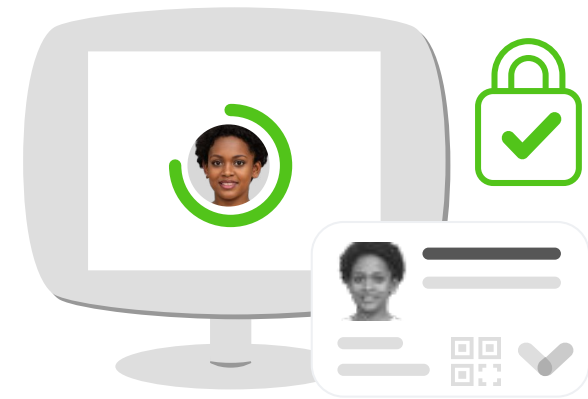

- Pre-register guests
- Take photos & print custom badges
- Be notified when visitors arrive

- Share important safety information
- Ask health & safety questions
- Manage your entry requirements

" Streamlines the process of visitor management with a comprehensive range of features designed to ensure we have the information we need for security, health and safety and monitoring. "

Alan J, Prinicpal

Employee and contractor sign in

Sign In App makes managing the distributed workforce easy. Transform the sign in experience and allow your team to sign in wherever they work. Ensure safety, control access and keep a record of agreed terms and policies.
Sign in quickly from an iPad, smartphone, QR code or RFID

Allow employees to sign in on-site and remotely
Maintain a global staff list for seamless sign in across sites

Produce timesheet reports and ensure employee safety

Customise the sign in process for each group

Sign In App gives you the flexibility to customise the process for each type of visitor. Engage your visitors and employees with a branded home screen, video content, PDF documents and more. Collect the data you need with custom fields and ensure important health & safety notices, NDA's and policies are read & accepted.
Free companion app for employees

Available on iOS, Android and as a web-based application.
Enable your employees to sign in from anywhere straight
from their smartphone. Sign in, join shared evacuations
reports, pre-register guests and book desks & meeting rooms.

- Sign in on site or remotely
- Auto sign in when you arrive on site `BETA`
- Create and join shared evacuation reports
- View sign in history and hours
- Book desks and meeting rooms with Spaces `ADD-ON`

An end-to-end multilingual experience

Greet your visitors in their native language and ensure your employees have a seamless experience with translations across the portal, iPad app and Companion app. You can add translations for all aspects of the sign in process, making it even easier for visitors to use the solution, no matter their preferred language.

Always be prepared for emergencies

Ensuring your evacuation report is an accurate reflection of everyone on site is critically important. By signing everyone in via Sign In App, you will always have an accurate, real-time evacuation list on-hand when and where you need it, on any mobile device.

- Access from anywhere, on any device
- Timed roll calls shared across devices
- Add comments in real time
- Manage evacuation points
- Review past evacuations
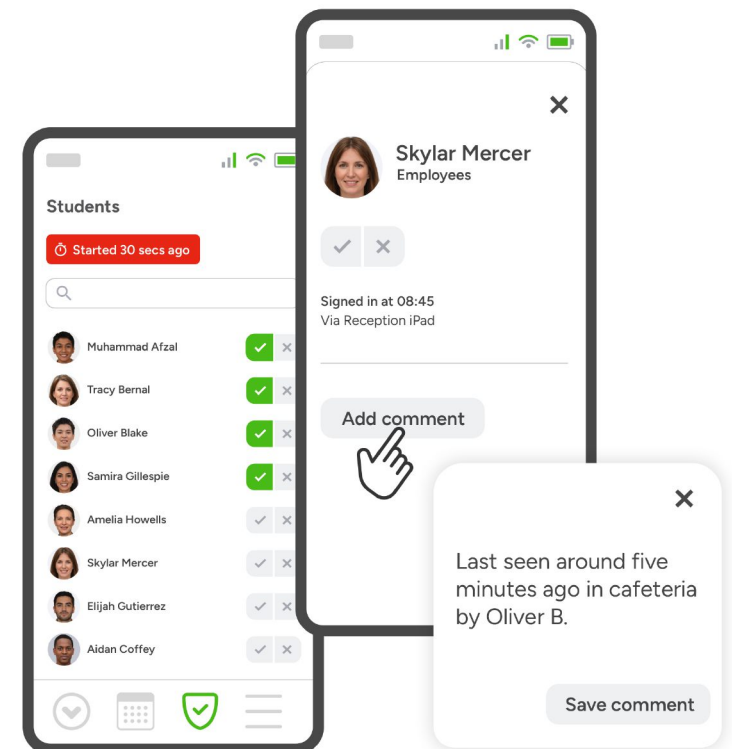

Sign in with your door access cards and fobs

With Sign In App Tap, employees can easily and securely sign in and out in just one tap; simplifying the process and saving time for you and your team.

- Compatible with almost all RFID tags
- Connects via Bluetooth BLE
- Attached to our enclosures
- Simple upgrade for £250*

*£250 one-off fee when puchased with a compatible stand, or existing stand can be upgraded with the new back plate for just £30.
Powerful multi-site management in one easy-to-use portal

Sign In App's easy-to-use online portal gives you access to your visitor history, evacuation list and site settings from a desktop or laptop. Manage who can see each site and customise the sign in experience, tailoring it to each visitor group or location.

> " Our experience with the team has been 5 star - nothing is too much trouble. We currently have 32 sites using Sign In App. "
>
> Louise Schooley, Somerset Care

The smart way to book desks and meeting rooms

Add-on

Embrace the hybrid workforce and manage capacity with Spaces - the smart and flexible desk and meeting room booking add-on for Sign In App.

- Make any space bookable
- Reserve spaces from your phone
- Recreate layout or upload a floor plan
- Starting from £115 annually*
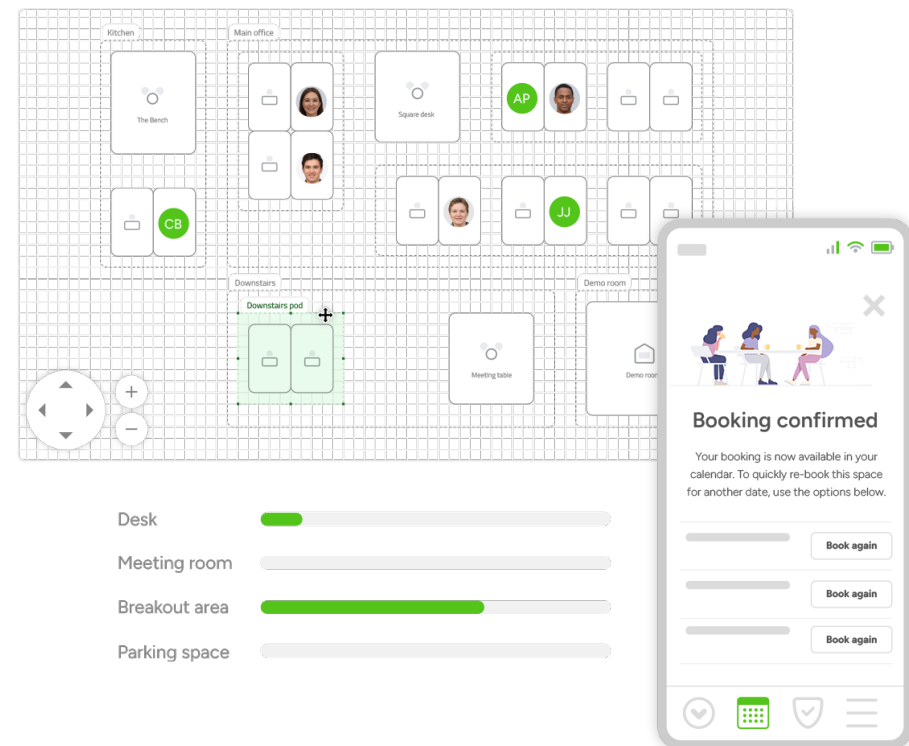

*Spaces is an add-on to your Sign In App subscription and starts from £115 annually

Intelligent integrations to keep your data in sync

Sync directly with your existing Azure Active Directory and Google Workspace to automatically keep employee data in sync to make it easy to accurately record sign in activity on your site. Our notification tools can also hook into your MS Teams and Slack channels and direct messages.

- Simple authentication process
- Trigger webhooks on sign in/out
- Build custom reports and dashboards
- SSO for portal users
A secure, global infrastructure built around data privacy

Sign In App is committed to ensuring the security of your data. We are GDPR compliant and ISO27001 certified for Information Security Management.

UK   US (W)   US (E)

EU   AUS   CAN

Data retention options built in for total control of your data.
Auto-scaling infrastructure hosted in Tier 4 data centres.

Choose to store your data in one of six global regions.

Built for high availability - 99.99% uptime in 2021.

Secure and scalable appointment scheduling
Start the visitor experience long before their visit with customisable appointment scheduling that works seamlessly with your visitor management process and reduces admin time.

> Reduce no-shows by up to 90%

> 100% secure and compliant

> Automated messages and reminders

> Manage multiple sites from one central portal
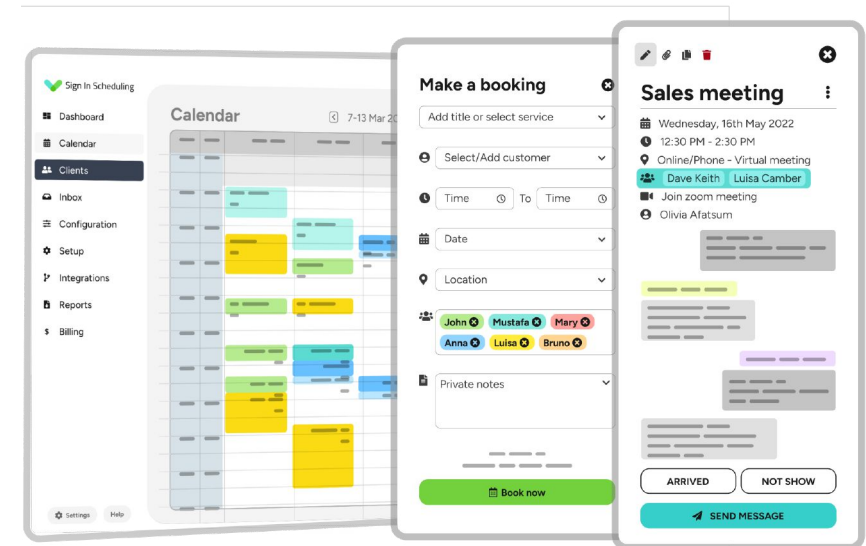

Sign In Scheduling™

Add Sign In Scheduling to your Sign In App subscription from just £360 annually.

Automatic pre-registrations

Once an appointment is booked, your visitor will be pre-registered in Sign In App for seamless sign in.

Fully customisable

Sign In Scheduling can be customised to suit your needs and you can add your branding to booking pages.
Accessible to all

Fully accessible appointment booking that's WCAG certified and available across channels.

Data insights that drive change

Understand availability, get true insights into business performance and identify no-shows before it's too late.

Add an extra layer of safety

Prevent visitors from further entry if they do not have the required documents and security checks and onboard new employees, uploading the relevant information such as right to work documents and DBS checks.

> Have full control over who can enter

> Easily onboard new employees

> Manage data across multiple sites

> Save time with an automated solution

Sign In Central Record™

Add Sign In Central Record to your Sign In App subscription from just £349 annually.
Gather the insights you need

Utilise custom fields and sections to record all of your employee processes in one simple solution.
Prevent further entry

Reject sign ins and send host notifications if an individual doesn't have the required documents.
Enhanced DBS checks

Capture enhanced DBS checks and obtain copies of relevant Right to Work documents from new employees.

Create custom reports

Easily locate team members with the search feature. Create and export custom reports as a spreadsheet or PDF.
